

## Site Council Meeting Minutes 11-12-20

Present: Admin: Allan Chinn, Ari Zyskind (admin intern)

Parents: Billie Jo Rodriguez, Sallie Lees, Jill Ritz

Classified Staff: Lisa Goff, Jackie Sanderson

Certified Staff: Geoff Parks, Liz Ayres, Kristina Harvey, Lesli Harmon, Jenny Potter

Grant update – EEF will do a second round of grants this year.

COVID/CDL update – We will not re-open right after winter break. IF we come back in hybrid, it probably won't be until a bit later, so that parents have plenty of notice. The district will make the announcement in early December.

Virtual Coffee with the Principal – open office hours with Allan 9:00-9:45 Wednesdays

Parent input – Parents appreciate the teachers' hard work, and they are impressed with teachers implementing a walk to read with Kinders on Zoom. Students are able to complete most of their work without a lot of parent help, which is great. PE is the only one that is difficult for students to access, but Allan says it's probably okay to let students come during a different grade level time.

Update – Parent Involvement Policy – delete “performance profile” from #3 – it's covered by other items in that paragraph. Everything else can remain unchanged. Find a copy on the Holt website.

## Holt Parent Involvement Policy 2020-21

Holt staff recognize the important role that parents play in the education of their children. Every day, we make a concerted effort to recognize parental contributions and foster relationships with parents and families.

We have developed the following Parental Involvement Policy as part of our Title 1 school-wide Action Plan.

1. Holt will hold an annual meeting to inform parents of our Title 1 program at Back to School Night.
2. Parents will be involved with planning, reviewing and improving the school-wide program and the parental involvement policy through participation in Site Council. Parents will be informed of the school-wide program and the parental involvement policy through the annual back to school newsletter, auto-dialers, the school website, and parent group (PAHS) meetings.
3. Parents are informed about the school assessment results, the curriculum used, the assessment formats and proficiency levels expected through a variety of publications and events, including Back to School Night and other family involvement events, Oregon State Assessment Profiles, and Student Progress Reports.
4. Through Back to School Night and parent teacher conferences, parents are informed about assessments and how to monitor and work with their child to improve their child's achievement.
5. Our Parent-Teacher-Student compact is presented and signed by teachers, students and families at conferences and when students enroll throughout the year. This compact is reviewed and updated annually by Site Council.
6. Teachers, families and students will be involved in Kindergarten orientation, including Kindergarten transition activities, and 5th grade to middle school activities, including visits to Monroe Middle School.

These items were discussed and approved by the Holt Site Council in November of 2020 and will be annually reviewed by the Site Council each year.

## **Política de Participación de los Padres 2019-20**

El personal de Holt reconoce el papel importante que los padres tienen en la educación de sus hijos. Cada día, hacemos un gran esfuerzo para reconocer las contribuciones de padres y hacer relaciones fuertes con padres y familias.

Hemos creado las siguientes pólizas para padres como parte de nuestro plan de Acción de Título 1 para toda la escuela.

1. Holt tendrá una reunión anualmente para informar los padres de nuestro programa de Título 1 en el Noche de Regreso a la Escuela.
2. Los padres se involucrarán en planear, repasar, y mejorar el programa y las pólizas para los padres participando en la Consejería del Sitio. Se informara a los padres en cuanto al programa por medio del boletín anual de regreso a la escuela, llamadas de teléfono, el sitio de Internet de Holt, y reuniones del grupo de padres (PAHS).
3. Se informara a los padres en cuanto a los resultados de la evaluación, el currículo utilizado, el formato de la evaluación y niveles anticipados mediante una variedad de eventos y publicaciones, incluyendo el Noche de Regreso a la Escuela y otros eventos de participación familiar, Perfiles de Evaluaciones del Estado de Oregon, y Reportes del Progreso del Estudiante.
4. Por medio de la Noche de Regreso a la Escuela y las conferencias, se explica a los padres de que se tratan las evaluaciones y como monitorear y ayudar a su hijo/a para mejorar sus logros.
5. El Colaboración / Pacto entre Padres - Maestros - Estudiantes es presentado y firmado por maestras, estudiantes y familias al principio del año o en las conferencias de maestra y padre en noviembre y se actualiza anualmente mediante la Consejería del Sitio.
6. Maestras, familias y estudiantes participaran en Orientacion de Kinder, actividades de transición de Kinder, y actividades de transición de 5to grado a la escuela intermedia, incluyendo visitas a la Escuela Monroe.

Estas cosas fueron discutidos y aprobados por la Consejería del Sitio de Holt en noviembre del 2020 y se repasaran anualmente por la Consejería del Sitio.
