Stakeholder Group Reports:

Admin -

- Staffing scenarios review - we will be down one teacher/classroom next year
- Proposed 4J calendar for next year
- Potential SIP (School Improvement Plan) update coming from 4J

Parents -

- Holt Night Out 3/16 at Killer Burger
- School Cents fundraiser
- Spring Carnival - May 19
- Parent feedback on report cards - the scoring for mid-year is confusing for parents, since it's based on whether students will meet end-of-year standards, and this is a mid-year report card. How do parents know if a 2 is a concern or if a 2 is on track to meet standards?

Licensed -

- Title 1 Family Nights
- Outdoor School for 5th grade
- State Testing is approaching

Classified -

- Classified staff appreciation week
- Focus on safety in hallways, recess, cafeteria

Parent/Family Handbook - we updated the following portions:

- Medications
- Illness
